

Governor Ronnie Musgrove  
State Capitol  
Jackson, MS

Dear Governor Musgrove:

The Adams County Agency on Aging is not wheelchair-accessible. I think it should be.

It is my understand the State of Mississippi rents space for the office from the Southwest Mississippi Planning and Development District (446-6044) at 100 South Wall Street in Natchez.

I have previously brought this to the attention of Mr. Wert Peterson (442-7893).

Sincerely,

John Calhoun
